WHY?

Because good bands shouldn't play to empty houses.

Because saying there's nothing happening in Santa Rosa makes you sound like an asshole.

Because relying on Instagram to promote your shows is bullshit.

SHOW NOTES

Redwood Chrome and Dark Matter Lives
Shady Oak - 9/11/2026

This show was the inspiration for starting this zine.
I happened to be at Shady Oak playing pinball last Friday and caught this show. I didn't know it was happening. It was awesome. And no one was there!
I caught the end of the Dark Matter Lives! set.
Two piece hip-hop group playing some good shit.
Catch them at the Railroad Square Music Fest on the 20th and on October 8th at the Arlene Francis Center.
Redwood Chrome got on stage.
I thought they were a jam band or something.
But then they started playing and it was totally metal.
Real good shit that deserves a bigger crowd than I saw there.
Catch them on the 20th at Arlene Francis Center.
Show up for shit!

THE BASS IS THE FOUNDATION OF THE BAND!
